DEDICATION

At Saint Andrew's, we have a very special person. She contributes of herself totally to each student's individuality. She is always there, to talk with and to understand. Teaching, inspiring, motivating, and encouraging others are just a few of her outstanding qualities. She teaches us dignity, pride, and creates in us the desire to give our all to one another. It is with our pleasure that we dedicate The Claymore 1980-81 to Mrs. Betty Peltier.

OLD DAYS, GOOD TIMES I REMEMBER

gold days
days I'll always treasure,
funny faces, full of love
and laughter, funny places,
summer nights and blue-jeans,
take me back to a world
gone-away
memories seem like yesterday . . .

OLD DAYS, ON MY MIND AND IN MY HEART TO STAY

OLD DAYS, DARKENED DREAMS OF GOOD TIMES GONE AWAY . . .

Back Row: Mike Brown, Brad Simpson, Val Prescott, Daryl Gullledge, Chris Gnann. Middle Row: Garrett Weeks, Julian Kelly, John Compton, Joey Odum, Jeff Smith, Mike Bennett, Miller Cook. Investing in the Future.

One of Union Camp's strengths over the years has been the awareness for the need to upgrade existing facilities. No where is this more apparent than at the company's Savannah Plant.

Capital expenditure at Savannah in the 1970's approached \$250 million. This significant investment has kept our business viable and competitive.

Not surprisingly, the emphasis on modernization and increased efficiency continues in this new decade. The largest capital job ever undertaken at Savannah, a \$91 million power boiler construction project, has been announced and will be completed in 1982. The coal-burning boiler will reduce our dependency on fuel oil by the equivalent of a million barrels a year.

Again, Union Camp is doing more of what it has done so successfully in the past — staying ahead of the game.

BUILDING DEDICATIONS

The C.B. Compton Center was dedicated in the spring of 1980 with the following on hand for ceremonies: Gus Bell, Dr. James Spencer, Mrs. Saxon Dargeron, Mr. C.B. Compton, Joan Ayers, George Dausey, and Ed Lee. The Compton Center houses the gymnasium and classrooms for the Middle School.

Dedication of Gus H. Bell Hall, left to right: Mr. Russ Carpenter, Mrs. Joan Harwood, Mr. Herbert Skinner, Mr. C.B. Compton, Mr. Gus H. Bell.

IN MEMORY OF DR. JOHN G. SHARPLEY

1909-1980

Dedication of the Trophy Cases

Left to right: Mr. Dave Clay, Jim Sharpley, Mrs. John G. Sharpley, Bill Sharpley, Mr. Robert Todd

We would like to take this time and space to honor our friend Dr. John G. Sharpley. We shall remember his humor and smile, and miss it often.

He was a very sincere and generous man who touched us with his soft, often fatherly, advice. This advice was well-given and benefited those who accepted it.

He was a man who loved life and enjoyed the simpler pleasures of family, friends and the beach. A person who never asked anything of anyone, he constantly gave of himself. He was always there and, somehow, we feel he always will be. We shall miss him greatly but his presence will remain with us.

If ever a school had a friend, Dr. Sharpley personified that image. We love you and we miss you, Dr. John.

This page paid for by a friend of St. Andrews.

When I look back, I am happy, yet sad it is over. I have only been a part of this school for a year and a half, and have grown to love it. The weeks have been full of surprises and memories. As each owner of this yearbook looks through these pages, I hope will remember the friends and good times of the "Old Days"

This page compliments of Atlanta Creosoting.
